

Pan & Utensil Washer

The pan and utensil washer automatically washes, rinses and sanitizes bakery utensils and sheet pans in standard 24" x 26 1/2" racks. Extra-wide doors easily accommodate "oversize" utensils. Optional automatic "start" switch provides for fast operation without interruption each time desired for "hard-to-clean" utensils by overriding automatic timer. Construction out of 14 gauge welded stainless steel for long lasting durability.

FEATURES:

- Low water consumption
- Heavy duty 3h.p. motor
- 25 lbs. water pressure
- Extra-wide door width
- Top mounted controls
- Built-in automatic chemical injectors w/ primer switches
