

Fiberglass Trays & Pans

For storing and displaying meats, fish, poultry, deli items and bakery goods. Constructed of high strength fiberglass. They're very durable, with no sharp edges, and easy to clean with a damp cloth or spray rinse. Features reinforced edges for extra durability; and "Dri-Stack" separators, molded into the underside of the rim, to allow air to circulate when trays and pans are drying. Available in five attractive colors: salmon, yellow, blue, green, and white.
