Rotisol 1350/8S Rotisserie

The Grande Flamme Millennium 1350/8 rotisserie is your ideal merchandiser for the medium to large sized retailer. It features 8 spits with a capacity of 48 chickens per hour. With its visible and cooking flame, its powerful halogen light and its European design, the 1350/8 offers a dramatic display which makes it an incredible merchandising tool for your deli. The Grande Flamme line features a unique cooking system. The GF 1350/8 has 3 patented independent stainless steel burners, cast iron panels and refractory bricks for unequalled cooking performance and reduced energy consumption. Burners have a lifetime warranty! The unit comes with 8 independent spits with their own motors. The multiple spit motors also guarantee that your rotisserie is operational at all times! The spits are adjustable in depth and can be adjusted without opening the doors. You can cook everything from a small bird to a large turkey. The Grande Flamme rotisserie is the most versatile rotisserie you will find on the market! The rotisserie is delivered with 8 'V' shaped prongless spits. Several accessories are also available allowing you to cook a variety of products including ribs, fish, lamb, pork, turkey, potatoes, and vegetables. The 1350/8 can also be split into two independent compartments with a middle drip pan, allowing you to cook different products at different temperatures with no risk of cross-contamination or mixing the flavors. The Grande Flamme is available in several finishes and colors.

4703206A Rotisol 1350/8S Rotisserie
